

Prison Support

Mission Statement:

The prison support ministry will provide assistance with obtaining the physical and spiritual needs of students of the prison ministry as they re-enter society following a period of incarceration.

Deacon: Derek Graham

Goals and Measurements:

G1) Determine volume of prisoners in the prison ministry that are released on average.

M1) Within 45 days, develop a written summary of findings.

G2) Determine the primary need of released prisoners.

M2) Within 45 days, develop a written summary of findings.

G3) Develop a network of at least 5 people outside of the current prison ministry to assist in aiding released prisoners.

M3) Within 6 months identify those to help with this work.

G4) Develop a program for the aid/assistance to be distributed in an orderly manner.

M4)
