

Worship Assignments

Mission Statement:

The worship assignment ministry will coordinate the use of the men within the congregation to serve in the Sunday worship assemblies. It is our goal to keep as many different men as possible actively engaged in publicly leading.

Deacons: Curtis Parker and Todd Armstrong

Goals and Measurements:

G1) Create a current list of all men of the congregation wanting to serve in worship assembly.

M1) Was an updated list created and a procedure created?

G2) Use as many people during the year at least once.

M2) A semi-annual report telling the number of men used in the worship services.

G3) Actively use new members in the next month's assignments.

M3) A report showing the use of willing new members in the worship services.
