

Spiritual Leadership Development

The Challenge

*10 Women
10 Weeks
10 Challenges*

**W

The next Women's Leadership Challenge is coming in September 2010!

Women's Leadership Challenge is designed for women in the congregation who would like to grow spiritually by successfully completing a challenge specifically tailored to spiritual leadership development.

Each woman will commit to attending each Challenge session and execute The Challenge during the week.

The Women's Leadership Challenge will challenge your spiritual leadership development on a personal basis.

Will you make the commitment?
