

Spiritual Leadership Development

NEWSLETTER

The Newsletter

This is the first issue of the Spiritual Leadership Development Newsletter. The newsletter will include articles on leadership and specific activities within our congregation that relate to serving others in our Christian life.

Biblical leadership models will be discussed and examples will be presented so we can increase our areas of service within the Lord's church. By increasing our knowledge of Biblical leadership we can grow in our individual spiritual life. This growth will enable us to be a better influence on our spouse, children, church family and others with whom we come in contact.

Our congregation continues to be a family that follows God and we continue to progress in our spiritual growth. We always want to be a good influence on others in their lives.

Sufficient influence is not gained by knowledge alone, but by taking action. While serving others let us challenge ourselves to reach outside

our comfort zone and take on more responsibilities within the Lord's work.

I pray that this newsletter will help us better understand the role of strong Biblical leadership in the church; both in our individual lives and collectively within the body of Christ.

Glenn

"... whoever wishes to become great among you shall be your servant, and whoever wishes to be first among you shall be your slave; just as the Son of Man did not come to be served, but to serve, and to give His life a ransom for many."

Matthew 20:26b-28 (NASV)

Biblical Leadership

Remember your leaders, those who spoke the word of God to you; consider the outcome of their way of life, and imitate their faith.

Hebrews 13:7 (NRSV)

Lads-to-Leaders

This month PAGE 2 of the SLD Newsletter shows some of the major events and the coordinators within our L-to-L program. Our young people are building their skills and increasing their talents to work in the Lord's church now and in the future. We are very proud of each of the young people and are glad they are able and willing to be a part of this program.

SLD Meetings

I'll lead a series of Spiritual Leadership Development (SLD) meetings in the next few weeks. Three meetings are already scheduled. The objective of each meeting is to identify the needs of the congregation in the area of SLD. We will discuss our needs and identify methods to use within the program. Please attend as we need your input and feedback as we launch our SLD program for all ages within the Germantown congregation.

Monday, November 21st, 7:00 pm — Room 124
→ Deacons

Sunday, November 27th, 4:30 pm — Fellowship Hall
→ Congregation

Sunday, December 4th, 7:15 pm — Fellowship Hall
→ Families of our youth in 7th - 12th grades

The meetings should last approximately one hour and will not only be informational, but also interactive. We want your ideas to ensure the SLD program meets the needs of our congregation!
