Lads-to-Leaders Kickoff Banquet

We started our 2008 L2L program with a L2L Kickoff Banquet on Saturday, September 8th. There were 207 people signed-up for the banquet. The food was delicious and the fellowship was even better!

Special thanks to Andrew Howell, who was our keynote speaker. Andrew motivated us to be involved in the Lord's work as individuals and as a family. Thanks to everyone who prepared food and performed the setup and cleanup. For many years Janet Smith and Lynn Gray have coordinated the kickoff banquet for L2L - they did another excellent job this year - thanks!

This month PAGE 2 of the SLD Newsletter provides information on the 2008 Lads-to-Leaders (L2L) program.

Family Focus

The Robertson Family

Family Focus is glad to introduce to you Guy and Betty Robertson.

Guy and Betty both grew up in Booneville, MS. As a matter of fact, they were high school sweethearts and have been married for 40 years. They have two children, Ashley Hinton and Brandon Robertson and several grandchildren. Be sure to ask them, I'm sure they would love to tell you about their children and grands!

Guy grew up in the Methodist church. He was baptized at the Starkville church of Christ in 1968 while attending college. Betty, an only child, grew up in the church in Booneville. She attended camp at Freed Hardeman during her elementary school years.

Guy attended Mississippi State University where he received a degree in business. He retired as a Vice President of Finance for a Memphis area company after 33 years of service. He has since held various part-time positions and spends a lot of time with the grandchildren.

Betty also attended Mississippi State University where she received a master's degree in education. She taught at Harding Academy for 14 years. She is now employed as a Critical Care Representative at Methodist Hospital in Germantown, working in the coronary unit.

The Robertsons served for years as foster parents in the AGAPE program. They were foster parents to 10 babies during that time. What a wonderful example for all of us that they opened their hearts and their home to those in need.

Betty lists that she is interested in reading, home and grandchildren. I will note that the word grandchildren was underlined three times!

Make sure to welcome the Robertsons to our family here at Germantown. We are proud to have such a fine couple work and worship with us.
