Ministry Summit 2009

All elders, deacons and ministers are encouraged to attend the Ministry Summit to be held:

Friday, February 27
7:00 p.m. until 10:00 p.m.

Saturday, February 28
8:00 a.m. until noon

Ministry Summit 2009 will focus on "Serving at Germantown" in our ministries. The elders will present specific ministry topics about how to work in the ministry, what is expected and how we can improve the ministries as we work together. Again this year the men will pray, fellowship and plan the work of the church at Germantown.

Attend - we want to meet the challenges in 2009 together!

Practice

Don't be afraid to give your best to what seemingly are small jobs. Every time you conquer one it makes you that much stronger.

Dale Carnegie

Don't change just enough to get away from your problem - change enough to solve your problem.

John Maxwell

A successful life requires the ability to be good at living life. Of course, success in life depends on the definition we give to success. What do we believe is important to be successful? Living life as a wise person should be the answer.

Proverbs 1:1-7 states the beginning of wisdom is to fear God or show reverence to God which brings knowledge; which through instruction brings understanding; which enables an individual to live a wise life which is one of Godly behavior. The Book of Proverbs then describes just how to live a wise life.

Any lifestyle, especially a lifestyle of Godly behavior, requires us to practice good habits to make them a part of our lifestyle. Here are some practices which we could include in our Christian lifestyle:

Everyday

- Read and study God's word to understand successful living
- Pray to God several times to praise Him, to thank Him for the many blessings of life and to find refuge and salvation in Him
- Practice Christian living in all we do - in word and deed

This month PAGE 2 lists the ministries for which our deacons and ministers take responsibility.

Each of the ministries has been placed within a group corresponding to a portion of the focus statement of The Pathway of Discipleship. The ministries are identified within the following four pathway areas: 1) Walking with God, 2) in His family, 3) in His ministry and 4) to His world. This grouping is based upon the primary aspects of the ministry relating to one of the four pathway areas.

The listing can be used to contact the individual who has primary responsibility for that ministry if you have questions, need clarification or would like to be involved in the ministry.
